tion Meeting.

RESOLUTIONS ASK ITS APPEAL

Local Man Is Elected President of Or-
ganization and R. C. Augustine,
Decatur, Is Vice President.

Allan D. Welch, member of the Rock Island school board, yesterday before the annual meeting of the Illinois School Board association at Urbana, led in a discussion of the new high school tuition law which has evoked considerable opposition among city school officials here.

Following the talks the members of the school board association passed resolutions against the law, asking that the state legislature repeal all of it, or at least certain parts of it. This was probably the most important action of the association, although other questions of considerable moment were considered.

Mr. Welch was honored by being selected president of the association. Other officers are:

Secretary — Mrs. D. A. Stover, Oak Park.

Addresses were given by F. G. Blair, state superintendent of schools; R. C. Augustine, president of the Illinois State Society of Optometrists; and Professor G. M. Whipple of the University of Illinois.
